

Bluebird Times

January 2024

HAPPY NEW YEAR!!!!!!!!!!!!!!!!!!!!

We hope that you all had a wonderful Christmas and wanted to wish you all a very Happy New Year.

Christmas Celebrations

Christmas is the perfect time to show our appreciation and gratitude to the whole of our care team for all their hard work and dedication.

As you can see our Bluebird Care dream team had a wonderful time celebrating.

Thank you to every member of our team for all your hard work, dedication and selflessness

Employee of the Month

Carer of the month for December has been awarded to Lynda

Lynda has been awarded carer of the month for her continued dedication to her live in care customer. Lynda initially worked for bluebird care through an agency and had cared for her customers for almost a year before she officially became a bluebird care member of staff.

Lynda has been finding new routines with the customer she supports, she has been working hard getting the customer to venture out into the community. This is a huge achievement and its been lovely to observe their already established relationship flourish even more. Well done Lynda, for your hard work and dedication, we are very proud to have you as part of our Bluebird Care Family.

Nominations for January carer of the month are now open, if you would like to nominate a carer you feel deserves recognition please contact the office.

Customer/Family coffee morning

We would like to invite you all to our coffee morning which takes place the last Friday of each month. Our previous coffee morning was a huge success.

The aim of our coffee morning is to give you chance to meet with our office team, our carers and even other customer who we support. We would also love to hear your feedback or give any ideas you have about ways we could improve our services, future office events or just general discussions. We are also hoping to plan a 'Knit and Natter' session for next months coffee morning.

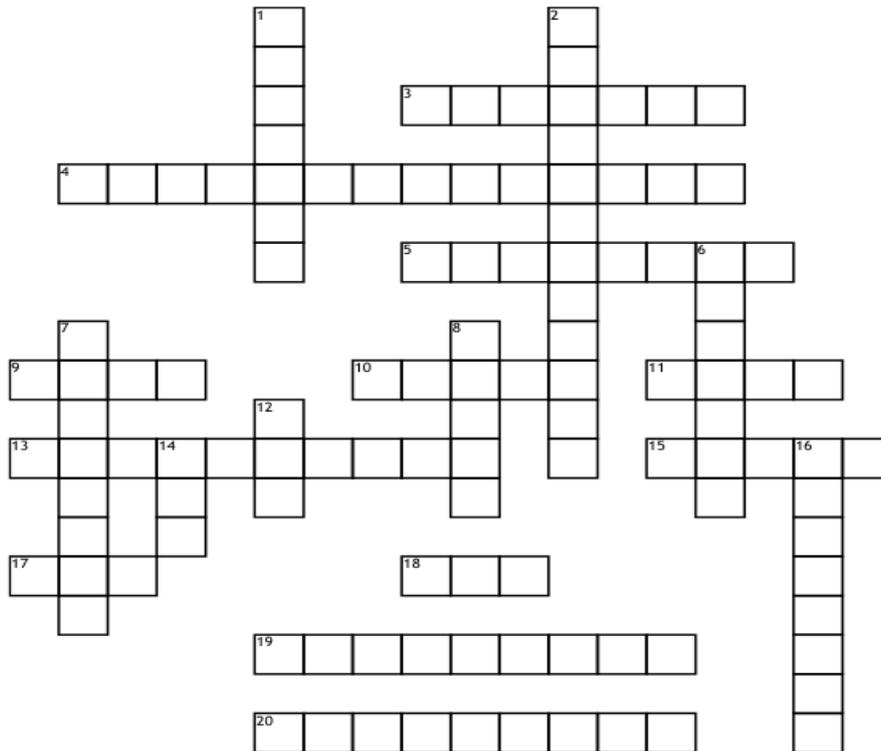

Our coffee mornings will vary in times to allow each of customer the opportunity to attend. Our next coffee morning will take place from 10:30 to 12:00 on 26th January 2024.

If you would like to attend, either alone or with family then please let us know. We look forward to meeting you.

Flu Vaccinations

The flu vaccine helps protect against flu, which can be a serious or life-threatening illness. It's offered on the NHS every year to people at higher risk of getting seriously ill from flu.

If you're eligible for an NHS flu vaccine, you can contact your GP surgery to book an appointment.

Across

- 3. Inflatable party decoration (7)
